Chris has been running quality Powerlifting Competitions since 2013 - 2020 with the USPA, and from 2020-2023 with the APF. He also served as a referee (International) with the USPA and as a referee with the APF. Chris served over four years in the United States Marine Corps, and he is a Gulf War Veteran. He owns an awesome gym, Eaton Barbell, which is west of Dayton close to the Indiana border. He also is a Corrections Sergeant with our local Sheriff's Office for the past 29 years. **Chris Smith's goal is to continue to host quality powerlifting events, bring in new lifters, establish more referees, and help fellow meet directors here in Ohio.**
